Streckeninformationen	
groomingpoints:	Are marked in the map with CP1, CP2 and CP3 CP1, CP2 and CP3 can be used on the 30km loop. CP1 and CP3 can be used on the 20km loop..
GPS coordinates of the groomingpoints:	CP1: N 47.769277, O 16.113947 CP2: N 47.741076, O 16.089828 CP3: N 47.764641, O 16.137044
Crossing the mainroad „Bahnstraße“:	The riders have to cross a mainroad two times per phase. The rider has to approach to this crossing in a way, that he can stop. The crossing should be done in a quick trot. A steward will give the rider a signal, when he can cross the street. The rider has to follow the commands of the steward by any means! The second crossing is after CP3, there the grooms have to check, if the rider can cross safely! Please take care, because the traffic on this road is really fast!
Behavior on the track:	The area we are riding in is a local recreation area and we use public ways, partly we are riding on training courses. You might meet runners, cyclists and pedestrians on the track. Please be polite, slow down and salute friendly. The last weeks were very dry in this area, therefore we have to inform you, that smoking and open fire in the woods is forbidden!
Hazard note:	You will find 3 hazard notes on the 20 km loop and 5 on the 30 km loop: 2 x crossing “Bahnstrasse” (mentioned above already). 1 x riding along the southern railway. The track is really quite close to the railway (just a few hundred meters), if you do not feel save, you might ride a little more left between the trees. On the 30km loop near the city of Neunkirchen you have to cross a second street twice. Although this street is of minor importance, locals are driving on it quite fast. Take care!
Marking of the track	30km loop: red-white ribbon on the left or right side of the track, orange colour-marking on the ground. 20km loop: yellow-black ribbon on the left or right side of the track, yellow colour-marking on the ground.
Covid-19-Maßnahmen	None at the moment.

supporters and sponsors

We thank our supporters and sponsors, without them an event like that would impossible to organise:

Community of Weikersdorf im Steinfeld
Community of St. Egyden im Steinfeld
City of Neunkirchen
High Class Horse Center, Weikersdorf
Polar Austria GmbH. (Sport- und Pulsuhren), Wien
3S-Sattel Fritz Strasser, Enns
Bürger GmbH, Neunkirchen
novasoft GmbH., Wien
Galapo Probiotics, Neulengbach
Wiener Pferdesportverband
Niederösterreichischer Pferdesportverband
Burgenländischer Pferdesportverband
Österreichischer Araberzuchtverband
Friedrichs Futterscheune

A special thanks to Norbert Sauerwein of the community of Weikersdorf, Mrs. Marion Dorfmeister of the community of St. Egyden and Mr. DI Christian Humhal of the city of Neunkirchen for allowing us to use this area for our sport.

And finally a big thank you to my wife, my children, my brother Uli and my sister Clara and to our riding club for supporting this event with their helping hands.
